# SS3000 Mobile Vac System

*Epic Solution's mobile vac system is ideal for moving from job site to job site.*

The SS3000 Series uses significantly smaller and more powerful filter packs than baghouses, provides better dust collection, and lowers operational costs. Designed with minimal airflow restriction to provide maximum collection efficiency.

### Ideal for:

- ▶ Road and Surface Grinders
- ▶ Skid-steer or Rider-saw compatible
- ▶ Customization to meet your needs.
- ▶ Any application that requires a high-volume dust collection unit.
